

Lake Abondale Advisory Board

AGENDA
June 25, 2009
7:00 p.m.

- Item No. 1 Meeting called to order
- Item No. 2 Board discussion on the process of the shoreline stabilization and enhancement. The LAAB will discuss the process to begin construction on the lower lake shorelines along both Berkeley and Lakeshore Dr:
- permitting process and costs
 - basic survey needs
 - engineering plans
 - design
 - schedule
- Board will review one engineer's proposal for erosion and sedimentation plans for the permitting process.
- Item No. 3 Board discussion on potential dates to meet at the lake with the Board of Mayor and Commissioners to discuss the short term and long term plan for vegetation, particularly trees, around the lake and on-going maintenance of the lake vegetation.
- Item No. 4 Board discussion on the plan to have an arborist review the trees with compacted root zones and give recommendations on remedies and long range strategies to prevent future damage.
- Item No. 5 Adjournment
