ORDINANCE NO. _____

AN ORDINANCE TO AMEND ARTICLE V OF CHAPTER 9 OF THE CITY CODE, CONCERNING SANITATION FEES; TO REPEAL CONFLICTING PROVISIONS; AND FOR OTHER PURPOSES.

WHEREAS, City Charter Section 6.15 authorizes the City to assess and collect a fee for sanitation services; and

WHEREAS, the Board of Mayor and Commissioners desires to make sanitation fees for businesses more equitable by assessing the fee on a usage (“per can”) basis.

NOW THEREFORE, BE IT ORDAINED BY the City of Avondale Estates, as follows:

SECTION 1. City Code section 9-82 is hereby repealed in its entirety and replaced with the following language:

“Sec. 9-82. – Sanitation fee rate.

(a) The annual sanitation fee rate shall be determined by the character and use of each parcel or lot. Every property use in the city shall be assigned to one of the following two categories for sanitation fee purposes:

- (1) *Residential* means any place where persons reside, including but not limited to single-family houses, apartments and condominiums.
- (2) *Commercial* means any use of property within the City for purposes other than Residential as defined in this section.”

(b) For residential property uses, a separate fee shall be imposed for each housing unit. For commercial property uses, a separate fee shall be imposed on each business unit, with an additional fee levied for each additional receptacle required by and licensed to the business.

(c) The amount of the annual sanitation fees shall be set by properly adopted resolution of the Board of Mayor and Commissioners and may be amended at the discretion of the Board of Mayor and Commissioners.”

SECTION 2. City Code subsection 9-84(a) is hereby amended to read as follows:

“(a) Residential sanitation fees shall be due and payable by November 15th of each year, without discount, with interest at one (1) percent per month if not paid when due, with a minimum interest of one dollar (\$1.00), plus a late payment penalty of five (5) percent of the fee due. Commercial sanitation fees shall be due and payable on the same schedule and with the same delinquency penalty as occupation tax, as specified in Section 14-41 (a).”

SECTION 3: New Code subsection 9-84(d) is hereby adopted, to read as follows:

“(d) Commercial entities receiving service from a sanitation provider other than the City shall be deemed exempt from City sanitation fees upon providing proof of that service,

such as a current bill and canceled check. When such alternative service begins during a year for which the sanitation fee has already been paid, the commercial organization shall be entitled to a prorated refund for the remainder of that year.”

SECTION 4. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed. This ordinance shall become effective immediately upon its adoption by the Board of Mayor and Commissions.
