AGENDA

Item No. 1 Meeting Called to Order

Item No. 2 Adoption of Agenda

Item No. 3 **Discussion of North Woods Drainage Project Request for Proposals (RFP)**

The wooded area north of Lake Avondale has experienced stormwater and drainage issues for some time. The proposed solution is an engineered rain garden from Berkeley Road flowing down through the woods and into the north end of the lake. The Lake Board will meet with City Planner Keri Stevens to craft a RFP for the design portion of this project.
