

**BOARD OF MAYOR AND COMMISSIONERS
WORK SESSION
July 17, 2019
5:30 p.m.**

AGENDA

- Item No. 1 Meeting Called to Order
- Item No. 2 Adoption of Agenda
- Item No. 3 **Arboretum Board**
In May, the Board of Mayor and Commissioners (BOMC) established an Arboretum Board to create an arboretum, an outdoor museum of trees highlighting the varieties we have here in the City. Seven people have applied to be a members of this new board. The BOMC will discuss next steps.
- Item No. 4 **Wellness Program**
City staff recommends entering into a contract with Emory Decatur Hospital Wellness Center to provide a comprehensive wellness program for City employees. The agreement involves slightly less than \$10,000 in payments to Emory Decatur, but the City would also be responsible for \$2,400 in incentives. This was not included in the current budget, but will be funded largely or wholly through grants from the Georgia Municipal Association (GMA).
- Item No. 5 **3 Clarendon Driveway Request**
The residents at this address request permission to build a driveway on the north side of their home, which is City property.
- Item No. 6 **Downtown Development Authority (DDA) Spending Request**
The DDA would like to invest in a structural analysis of the building at 90 North Avondale Road, engineering for a public parking lot behind Finders Keepers clothing store, and a communication/education campaign regarding the development of the five acres in downtown. They propose using a portion of extra fees being paid by Trammell Crow Residential.
- Item No. 7 Public Comment
- Item No. 8 Adjournment
