

**Avondale Estates Town Green
Park Planning Process**

Join Us to Plan a Park

The Town Green in Avondale Estates is a step closer to reality.

This proposed park will be approximately 2-acres, flanked by Lake and Oak streets, anchoring the Downtown District. Concept #9, which was designed by architect and local resident Sheri Locke and selected by residents, will guide the eventual design for this area.

February Workshop #1
29 The Lost Druid
2866 Washington St.
4 to 6 p.m.
